

# Educating the Present

Friends of Refugees of Eastern Europe is an international non-profit organization founded in 1969 by the Lubavitcher Rebbe, Rabbi Menachem M. Schneerson. FREE's mandate is to restore the Jewish identity and Jewish education diminished by over 70 years of Communist oppression, by assisting Jewish immigrants from the former Soviet Union in all moral, spiritual, religious, educational, and financial areas of their new lives in the FREE world.

Ever since, FREE has successfully aided tens of thousands of Jews. Serving as the first such organization, FREE has become the America's largest Jewish organization serving Russian Jewish immigrants with their spiritual and material needs.
